The Lazy H ranch is located West of Wellington which is North of Childress in the Texas Panhandle. It is about a 4 hr drive to the Northwest from Dallas-Fort Worth, it is about 1.5 hrs West of Amarillo.

The Lazy H was high fenced years ago to grow some huge bucks. It is mainly for the benefit of the family, they enjoy watching these big old bucks. I am able to sell some good hunts for Trophy 8 pts as well as some great hunts for management bucks and does, we have to get some of these off the ranch to let the big boys do the breeding. Bring a camera and binoculars you will see some huge whitetail bucks (170+ B&C).

You will be accompanied by a guide to assure that the mature bucks and does are harvested. This year we have MLD tags, this means that you do not have to use your deer tags for the does and you can shoot all the does you want. I will give you a discount if you can shoot straight and you will take several does (3+ per hunter). If you can't shoot straight expect to pay a \$125 a day guide fee on the doe hunts or I will shoot them for you (back up your shot), I will give you one miss. We need to get some does off the property with as little disruption to the deer herd as possible.

If you have hunted with me in the past you know that these are big deer, the biggest does last year would weigh close to 150 lbs live weight, the mature bucks are over 200 lbs. Most bucks we are taking will score around 130 B&C pts; some will go a little better, they are a great trophy for most hunters.

This year in Texas there is a special late youth season (16 and under) that runs Jan 4-17. Youth hunters may harvest bucks and does during this season. The cost for the license is \$6, even for out of state youth hunters, this is a great opportunity for out of state kids to hunt Texas. The non-resident license for the grown-ups will cost \$315. For more info look at the Texas Parks and Wildlife website at tpwd.state.tx.us

Motels are available in nearby Wellington (Cherokee Inn 806-447-2508). Lodging is included when possible on the ranch for the 8 pt hunts. You will be charged for 50% of the cost of any wounded deer. I require a nonrefundable deposit of \$500 for a buck hunt or \$125 for a doe hunt.

I will do my best to get your deer, it will help if you are familiar with your weapon; it is sighted in and you have shot it recently. I will supply an accurate rifle if needed with ammo for \$25. No hunting allowed with anything smaller than a .243. Next year I will be offering some early doe hunts in October with my crossbow; this will be an exciting way to harvest a doe during the archery season and help me get the doe numbers down earlier in the season.

I will field dress the deer for you, if you want them skinned and quartered it will cost \$25 per doe. There is a processor in Wellington that will process your deer (A&K Meat 806-447-5660).

Directions to the Lazy H; take 338 West out of Wellington, this is at the blinking light at the South edge of Wellington, you will go 6 miles straight as an arrow, you will see a high fence on your left, when the paved road curves to the right take the county road along the high fence, I will meet you at the Lazy H gate, there are 2 barns by the entrance. Arrival at 2-3 pm will give us time to get our gear together for the afternoon hunt.

I have some other nice hunts available; Palo Duro Canyon Aoudad hunt and a central Texas cow Elk hunt for \$875. I also have Fallow, Elk, Axis, Scimitar Horned Oryx and Aoudad available in central Texas.

I have my phone numbers and address listed below if you need to contact me, the cell is the number to contact me when I am on the ranch. Checks made out to me or Lost Creek Outfitters.

Thanks,
John
